TEMPT TO MURDER GRAND DUKE NICHOLAS

My Meager Details of Affair
Obtained.

AS REVIEWING MANEUVERING

Had Attempt on the Grand Duke's
Life Caused an Immediate Change
in the Plans of the Emperor—Af-
fair Created Deep Impression.

St. Petersburg, Aug. 11. (Noon).—
Grand Duke Nicholas, president of the council of national
defense, narrowly escaped assassination
Friday afternoon at the hands
of the imperial guards in the guard
camp at Krasnoye-Selo.

Thus far the Associated Press has
only been able to obtain meager de-
tails of the affair, from which it ap-
pears that the grand duke was per-
sonally reviewing, maneuvering and
putting the troops through blank-
firing practice, when he suddenly was
startled by the wisp-like hiss of bul-
lets about his head.

Fortunately, neither himself nor
his horse was touched. The com-
mand to cease firing was immediately
given and the soldiers of the regi-
ment from which the bullets came
were marched back to their quar-
ters and an investigation was begun
in the hope of ascertaining from the
barrels of the rifles which of the sol-
diers fired the cartridges. Several
arrests are understood to have been
made.

One of the grand duke's aides-de-
camp, who, however, was not person-
ally present, advanced to the Associ-
ated Press the theory that possibly the
bullets were fired by accident, but he
considered that beyond a doubt there
was a plot on the part of a number of
guardsmen, who deliberately planned
to take the grand duke's life under
cover of the general blank cartridge
firing.

"It was no more an accident," said
the aide-de-camp, "than was the fir-
ing of the charge of grape shot from
the saluting battery at the winter pa-
lace on the occasion of the ceremony
of blessing the waters of the Neva
by the emperor a year and a half
ago."

The bold attempt on the grand
duke's life caused an immediate
change in the plans of the emperor,
who had arranged to go to Krasnoye-
Selo Saturday and spend a week with
the soldiers of his imperial guards.

It was learned that the troops were
extended order and engaged in vol-
ley firing when the "accident" occur-
red, rendering it difficult to deter-
mine the regiment from which the
bullets came. The grand duke, sur-
rounded by officers and aides, was off
on one side, out of the line of fire.

The affair has created a deep im-
pression in military circles, and the
one topic of conversation in the clubs,
but the attempt on the grand duke's
life is not known here, no word on the
subject having been published in the
newspapers.

Police Capture Rebels.

Panama, Aug. 13.—The police Fri-
day night captured 17 Columbians,
former revolutionists, on a charge of
conspiring against the national au-
thorities. The prisoners, during the
revolution of 1900, distinguished them-
selves by the depredations in the
interior of the isthmus. A Mexican,
named Ruiz Zandoval, also was taken
into custody. All the men ar-
rested had recently arrived in Pan-
ama.

Fought Under McCausland.

Hinton, W. Va., Aug. 13.—Daniel
Williams, farmer and merchant of this
county, and Major of the Thirty-sixth
West Virginia Regiment, company C,
in the civil war died here of dropsy.
He fought under McCausland for three
years.

Newspaper Man Injured.

Louisville, Ky., Aug. 13.—Lewis
Humphrey, a newspaper man, and Ho-
nan Leachman, a policeman, had an
altercation over newspaper office.
Mr. Humphrey was knocked down and
seriously injured.

ATLANTA GIRL TRIES SUICIDE.

Miss Shewning Attempts to Drown
Herself.

Chatanooga, Tenn., Aug. 13.—Seek-
ing a watery grave in which to hide
her sorrows and end her life, Miss
Mabel Shewning, a beautiful young
woman, giving her address as 82
Peachtree street, Atlanta, endeavored
to commit suicide Friday night by
jumping from the county bridge over
the Tennessee river at this place.

Miss Shewning came to this place
about two weeks ago from Atlanta,
Ga., and has been stopping at various
hotels in the city with her alleged sis-
ter, Mrs. Mabel Woodside, also claim-
ing to be from Atlanta. She has
been the recipient of ardent atten-
tions by one of the prominent young
men in this city since her arrival here,
and was apparently enjoying life to
its fullest extent.

Friday night she went out driving
with Mrs. Woodside and this friend,
and the next thing heard of her was
the attempt to take her own life by
jumping from the bridge.

She was prevented by a man who
was on the bridge at the time, and
was taken into custody by the police,
where she is now being held pending
hearing from her relatives. The only
cause ascribed for her rash act is that
the young man who has been so ar-
dent in his attentions is soon to be
married.

The name of Miss Mabel Shewning
is not in the directory, and 82 Peach-
tree street is the English-American
building.

Secures Collection of Counterfeit.

St. Louis, Aug. 13.—Lee T. Philpot,
in charge of the United States secret
service office in this city, secured the
collection of counterfeit and value-
less bills gathered by Edward H.
Moses, who died a few days ago af-
ter having served many years as tell-
er of the Merchants' Laclede National
bank. The collection includes more
than 300 bills, some of them having
the appearance of being more than
50 years old. The collection is sup-
posed to be the most expensive pri-
vate collection of its kind in the coun-
try. Mr. Philpot will make an inven-
tory of the collection as required by
law and forward the bills to the treas-
ury department at Washington.

Will Restore Spreckels' Mansion.

San Francisco, Aug. 13.—The Spre-
ckels mansion on Van Ness Avenue
is to be restored at an expenditure
of \$800,000. According to the terms
of the contract it will be ready for oc-
cupancy within a year. Before the
fire the Spreckels mansion was one
of the most pretentious homes in
America. The marble in the hall
alone cost over \$100,000. The rest
of the house was furnished in corre-
sponding style. In less than an hour
the famous art treasures, paintings,
tapestries and carvings, were reduced
to heaps of ashes and charred stones.
The house was completely gutted by
the fire.

Steamer Troy In Collision.

Duluth, Minn., Aug. 13.—The steam-
er Troy, a package freighter, owned
by the Western Transit company,
early Saturday collided with the Span
of the Interstate bridge and precipi-
tated it into the channel on either
side of the center pier on which the
span revolved. Navigation to and
from the upper harbor, the most active
portion of the water is blocked. It is
impossible even for a tug to pass.
Forty steamers are cut off from re-
turning to the lake. Street car and
steam traffic between Duluth and Su-
perior is cut off and will be for some
time to come.

Passenger Train Ditched.

Chicago, Aug. 13.—The Meon pas-
senger train from Cincinnati due in
Chicago at 7:40 Saturday morning,
was ditched just south of Kenosha,
Ind. One passenger and a mail clerk
were slightly injured. The wreck
was due to the train striking a broken
rail while going around a curve.

Shoots at Wife and Babe.

Jennings, La., Aug. 13.—Drew Dob-
bins, while despondent, took a revol-
ver, containing three loaded car-
tridges, fired the first bullet at his
wife and missed, and sent the third
bullet into his own body, dying in a
few seconds. A neighbor was slightly
wounded by one of the shots.

WARM ATTACK MADE ON SOLDIER'S HOME

Heated Discussion Follows the
Reading of Charges.

WILL GIVE MONEY FOR HOSPITAL

Petition Signed by Soldiers Who Are
In the Home Declared They Are
Mistreated and Not Properly Cared
For by Authorities.

Atlanta, Aug. 13.—There was a heat-
ed discussion on the floor of the house
of representatives Friday morning,
when a protest, signed by 21 con-
valescent veterans, inmates of the Sol-
diers' home, was read after being sub-
mitted by Mr. Minkin, of Wayne, and
Mr. Kelly, of Glascok.

Mr. Williams, of Laurens, charged
that a number of veterans, who lived
at the home, had conferred with him
and complained bitterly about their
treatment, and that they were opposed
to the erection of a hospital because
it would further add to the expenses
of administration, reducing the insuf-
ficient provision now made for them,
and further, would remove from their
building the only person who treated
them with kindness or looked after
their wants, the nurse.

Mr. Hall, of Hubbard, warmly cham-
pioned the cause of Dr. Amos Fox,
the treasurer and purchasing agent of
the home, declaring that he treated
the old soldiers with all the consid-
eration that a man could bestow upon
them, and that he received not a cent
for acting as purchasing agent. He
further declared that the old soldiers
annually complained about something,
but that they were well provided for,
and that their grievances were large-
ly imaginary.

"I hear there is graft out of the
funds provided by the state for the
old soldiers," cried Mr. Minkin, of
Wayne, "and I think that before we
go further with this appropriation for
a hospital, these charges of the old
soldiers should be investigated."

The house passed the bill to appro-
priate \$7,500 for the erection of a hos-
pital adjoining the Soldiers' home,
and also passed a bill by Mr. Mitch-
ell, of Thomas, to require railroads,
within sixty days after the passage of
the act, to equip flat cars with stand-
ards for the shipment of lumber and
timber. Failure to provide such an
equipment will subject the railroad to
a forfeit of \$1.50 to be paid to the
shipped for each car not so equipped,
but the bill does not apply to ship-
ments going out of the state.

The house fixed a number of bills
as special orders, refusing however,
to make special orders of the Cal-
vin banking bill, the Lawrence bill
for the establishment of a bureau of
commerce and immigration, and the
senate bill to create Phil Cook coun-
ty. At the afternoon session a num-
ber of important bills were passed, as
follows:

By Mr. Beauchamp of Butts, to im-
prove Indian Springs so as to provide
accommodations for the public; by Mr.
Flynt of Spalding, to provide for re-
covery of damages by the legal repre-
sentatives of unmarried persons whose
death is due to the wrongful act of
any person or corporation. By Messrs.
Hardman and Holder, of Jackson, to
amend act creating the state board of
health so as to provide for the man-
ufacture and free distribution of matter
for the prevention and cure of hy-
drophobia according to the Pasteur
method.

At Saturday morning's session the
unfinished business, the redistricting
of senatorial districts, was taken up
and a warm fight was made against
the bill by the members whose dis-
tricts are proposed to be changed by
the bill. Local and general bills
were taken up for final passage.

The senate broke its record for this
session by passing 45 house and sen-
ate bills.

The most important bill passed was
that by Senator Fitzgerald increasing
the power of the railroad commission-
er. The measure provides that all
railroad lines, "except" side-tracks
where intended for convenience of pas-
sengers. It also requires railroads to

lay connecting lines with each other
and to receive each other's cars. A
penalty of \$5,000 is attached for any
railroad failing to abide by require-
ments of the commission. The bill
passed by a vote of 23 to 1.

IT LOOKS LIKE BRYAN.

Francis Says Nomination of Bryan
Is Regarded a Certainty.

New York, Aug. 13.—A cable from
Paris to the Herald says:

"The nomination by the Democratic
party of William J. Bryan for the
presidency of the United States in
1908, looks like a certainty," said
David R. Francis, of St. Louis, Fri-
day night. In reply to a question as
to whether he thought any circum-
stance intervening before that time
could materially change Mr. Bryan's
prospects, the former governor of
Missouri said:

"There is absolutely nothing in
sight that in my opinion, can side-
track Mr. Bryan. There is material
for reflection in the fact that several
state conventions—Missouri having
taken the lead—have only endorsed
Mr. Bryan, but have emphatically and
unanimously declared for him with
no mention of any other candidate.
These conditions, if I remember cor-
rectly, have never been known before
—that is to say, out and out declara-
tions by state conventions two years
in advance of a presidential election."

Mr. Francis was for Palmer and
Buckner in 1896, but the silver scare
in Bryan's case now being a thing of
the past, he is unqualifiedly for the
man from Nebraska.

He Saw Fugitive Banker.

St. Louis, Aug. 13.—A special to the
Post Dispatch from Ft. Worth, Tex.,
says that Paul O. Stensland, the fu-
gitive bank president of Chicago, was
in Ft. Worth, according to Henry
Adams, a former commission broker
of Chicago, and is believed to be on
his way to Mexico. Adams said he
traveled all the way from New Or-
leans to this city with the absconding
banker without knowing his bank had
failed. Not until he read the account
of it in a local paper did Adams know
that Stensland was fleeing.

Alleged Razor Play.

St. Louis, Mo., Aug. 13.—Luella
Gensert, in a suit filed for divorce
from Andrew L. Gensert, charges he
was already married when she wedded
him March 24, 1902, at Paducah, Ky.,
and that she did not know of it until
immediately before their separation,
July 9, last. Her petition includes
an allegation that he attacked her
with a razor and butcher knife.

Found No Corruption.

London, Aug. 13.—The war office
has issued the report of the royal
commission which was appointed to
investigate the South African stores
scandals. While the report acquits
the officials concerned from the worst
charges of corruption, it finds that
the losses, equaling about \$5,000,000,
were due rather to grave mismanage-
ment and incompetence than to fraud.

Phone Men Organize.

Henderson, Ky., Aug. 13.—The
Fourth district convention of Kentuck-
y independent telephone association
met here and organized by electing F.
G. Hoge of Hopkinsville, president,
and W. G. Turpin, of Henderson, sec-
retary and treasurer, who will hold for
one year. Thirteen independent lines
were represented.

Bryan at Paris.

Paris, Aug. 13.—W. J. Bryan, ac-
companied by his wife and daughter,
Colonel Wetmore, and Mr. and Mrs.
Dunlap, arrived here Saturday for a
four days' visit. A number of his
friends gathered at the station and
gave the party a cordial greeting.

Killed by a Policeman's Son.

Princeton, Mo., Aug. 13.—"Buck"
McIlhargue, a notorious character, was
killed by the son of Policeman Abe
Trent after McIlhargue had shot the
officer five times while resisting ar-
rest. Policeman Trent is in a seri-
ous condition.

Divorce Granted Duke.

New York, Aug. 13.—Brodie L.
Duke, of Durham, N. C., brother of
the president of the American Tobac-
co Co., has been granted a divorce.

FIFTEEN YEARS IS SENTENCE FOR HALL

Was Convicted of Conspiracy at
Salisbury.

IN CONNECTION WITH LYNCHING

After Being Out Twenty Minutes, a
Verdict of Guilty Was Agreed Upon,
and Maximum Penalty Is Imposed
by Judge Long.

Charlotte, N. C., Aug. 13.—George
Hall, a cotton mill operative, was on
Friday night convicted of conspiracy
in connection with the lynching of the
three negroes at Salisbury, Monday
night last, and given a term of 15
years in the state penitentiary.

The hearing of the case began when
court opened at 10:30 a. m. At 6:15
p. m., after hearing several witnesses
establishing Hall's participation in the
lynching, the case was given to the
jury. After being out twenty min-
utes, a verdict of guilty was agreed
upon and the maximum penalty for
the offense charged was imposed by
Judge B. F. Long. Court adjourned
for the day at 7:10 p. m.

This is said to be the first convic-
tion of the kind ever secured in this
state, although a number of efforts
have been made to bring members of
gangs to justice.

The state sprung a surprise in the
trial when the offense against the pris-
oner was changed from murder to
conspiracy.

When the court was called to order
Hon. T. J. Klutz announced that his
client would contend that the court
was unlawful. It was argued that
the governor could not sign a com-
mission for such a court unless he
was in the state, and it was claimed
that he was at Atlantic City, N. J. Mr.
Klutz asked that a subpoena be is-
sued for Governor Glenn, and have
him brought to court to testify. This
was done, and the chief executive
of the state was sworn and question-
ed about his whereabouts on the 17th
of July, the day that the call for the
court was made. He said that he
was in Atlantic City, N. J., but in
order to do what he could to prevent
a lynching, he wired his private sec-
retary to issue the commission and sign
his name to it. This he considered
the proper thing to do.

The objection of the defendant was
overruled and the trial proceeded.
The first witness was David W. Julian,
a deputy sheriff, who testified that
he saw Hall leading a mob of about
30 men, some of whom the witness
knew. The officer had in custody a
man he had arrested at the jail. Hall,
said the witness, carried a hammer
and threatened to brain him if he did
not liberate the prisoner. Mr. Klutz
objected to this testimony in its en-
tirety.

Other testimony was offered in the
afternoon and the case speedily given
to the jury.

Cochran Attended by Plance.

San Francisco, Cal., Aug. 13.—
Bourke Cochran is seriously ill at Lake
Taboe, under the tender care of An-
nie Ide, whose engagement to him
was recently announced. Cochran
was not in the best of health when
he went to Lake Taboe a short time
ago, and while there he developed a
dangerous affection of the throat. His
resisting powers are not so great as
formerly, and the attending physi-
cians fear complications, which may
make the case much more difficult to
conquer. Miss Ide's attendance at
the side of the patient has been con-
stant.

Cups Admitted Duty Free.

Boston, Aug. 13.—Collector G. H.
Loyden, of this port, has decided to
admit free of duty silver cups donat-
ed by Sir Thomas Lipton to be com-
peted for by American yachtsmen. It
was at first decided by the appraisers
that a duty should be paid on the
cup on the ground that it was an
honorary trophy actually bestowed
and accepted, such articles being al-
lotted free, but merely an article sent
to the Boston Yacht Club to be held
in trust shall not be awarded.

The name of Miss Mabel Shewning is not in the directory, and 82 Peachtree street is the English-American building.

Secures Collection of Counterfeit.

St. Louis, Aug. 13.—Lee T. Philpott, in charge of the United States secret service office in this city, secured the collection of counterfeit and valueless bills gathered by Edward H. Moses, who died a few days ago after having served many years as teller of the Merchants' National bank. The collection includes more than 300 bills, some of them having the appearance of being more than 50 years old. The collection is supposed to be the most expensive private collection of its kind in the country. Mr. Philpott will make an inventory of the collection as required by law and forward the bills to the treasury department at Washington.

WARM ATTACK MADE ON SOLDIER'S HOME

Heated Discussion Follows the
Reading of Charges.

WILL GIVE MONEY FOR HOSPITAL

Petition Signed by Soldiers Who Are
In the Home Declared They Are
Mistreated and Not Properly Cared
For by Authorities.

Atlanta, Aug. 13.—There was a heated discussion on the floor of the house of representatives Friday morning, when a protest, signed by 21 Confederate veterans, inmates of the Soldiers' home, was read after being submitted by Mr. Minkin, of Wayne, and Mr. Kelly, of Glascok.

Mr. Williams, of Laurens, charged that a number of veterans, who lived at the home, had conferred with him and complained bitterly about their treatment, and that they were opposed to the erection of a hospital because it would further add to the expenses of administration, reducing the insufficient provision now made for them, and further, would remove from their building the only person who treated them with kindness or looked after their wants, the nurse.

Mr. Hall, of Bibb, warmly championed the cause of Dr. Amos Fox, the treasurer and purchasing agent of the home, declaring that he treated the old soldiers with all the consideration that a man could bestow upon them, and that he received not a cent for acting as purchasing agent. He further declared that the old soldiers annually complained about something, but that they were well provided for, and that their grievances were largely imaginary.

"I hear there is graft out of the funds provided by the state for the old soldiers," cried Mr. Minkin, of Wayne, "and I think that before we go further with this appropriation for a hospital, these charges of the old soldiers should be investigated."

The house passed the bill to appropriate \$7,500 for the erection of a hospital adjoining the Soldiers' home, and also passed a bill by Mr. Mitchell, of Thomas, to require railroads, within sixty days after the passage of the act, to equip flat cars with standards for the shipment of lumber and timber. Failure to provide such an equipment will subject the railroad to a forfeit of \$1.50 to be paid to the shipped for each car not so equipped, but the bill does not apply to shipments going out of the state.

The house fixed a number of bills as special orders, refusing, however, to make special orders of the Calvin banking bill, the Lawrence bill for the establishment of a bureau of commerce and immigration, and the senate bill to create Phil Cook county. At the afternoon session a number of important bills were passed, as follows:

By Mr. Beauchamp of Butts, to improve Indian Springs so as to provide accommodations for the public; by Mr. Flynt of Spalding, to provide for recovery of damages by the legal representatives of unmarried persons whose death is due to the wrongful act of any person or corporation. By Messrs. Hardman and Holder, of Jackson, to amend act creating the state board of health so as to provide for the manufacture and free distribution of matter for the prevention and cure of hydrophobia according to the Pasteur method.

At Saturday morning's session the unfinished business, the redistricting of senatorial districts, was taken up and a warm fight was made against the bill by the members whose districts are proposed to be changed by the bill. Local and general bills were taken up for final passage.

The senate broke its record for this session by passing 68 house and senate bills.

The most important bill passed was that by Senator Fitzgerald increasing the power of the railroad commission. The measure provides that all railroads shall furnish adequate service and that the commission shall have the power to regulate the rates of freight and passenger fares.

lay connecting lines with each other and to receive each other's cars. A penalty of \$5,000 is attached for any railroad failing to abide by requirements of the commission. The bill passed by a vote of 23 to 1.

St. Louis, Aug. 13.—A special to the Post Dispatch from Ft. Worth, Tex., says that Paul O. Stensland, the fugitive bank president of Chicago, was in Fort Worth, according to Henry Adams, a former commission broker of Chicago, and is believed to be on his way to Mexico. Adams said he traveled all the way from New Orleans to this city with the absconding banker without knowing his bank had failed. Not until he read the account of it in a local paper did Adams know that Stensland was fleeing.

Alleged Razor Play.

St. Louis, Mo., Aug. 13.—Luella Gensert, in a suit filed for divorce from Andrew L. Gensert, charges he was already married when she wedded him March 24, 1902, at Paducah, Ky., and that she did not know of it until immediately before their separation, July 9, last. Her petition includes an allegation that he attacked her with a razor and butcher knife.

Found No Corruption.

London, Aug. 13.—The war office has issued the report of the royal commission which was appointed to investigate the South African stores scandals. While the report acquits the officials concerned from the worst charges of corruption, it finds that the losses, equaling about \$5,000,000, were due rather to grave mismanagement and incompetence than to fraud.

Phone Men Organize.

Henderson, Ky., Aug. 13.—The Fourth district convention of Kentucky independent telephone association met here and organized by electing F. G. Hoge of Hopkinsville, president, and W. G. Turpin, of Henderson, secretary and treasurer, who will hold for one year. Thirteen independent lines were represented.

FIFTEEN YEARS IS SENTENCE FOR HALL

Was Convicted of Conspiracy at
Salisbury.

IN CONNECTION WITH LYNCHING

After Being Out Twenty Minutes, a
Verdict of Guilty Was Agreed Upon,
and Maximum Penalty Is Imposed
by Judge Long.

Charlotte, N. C., Aug. 13.—George Hall, a cotton mill operative, was on Friday night convicted of conspiracy in connection with the lynching of the three negroes at Salisbury, Monday night last, and given a term of 15 years in the state penitentiary.

The hearing of the case began when court opened at 10:30 a. m. At 6:15 p. m., after hearing several witnesses establishing Hall's participation in the lynching, the case was given to the jury. After being out twenty minutes, a verdict of guilty was agreed upon and the maximum penalty for the offense charged was imposed by Judge B. F. Long. Court adjourned for the day at 7:10 p. m.

This is said to be the first conviction of the kind ever secured in this state, although a number of efforts have been made to bring members of mobs to justice.

The state sprung a surprise in the trial when the offense against the prisoner was changed from murder to conspiracy.

When the court was called to order Hon. T. J. Klutz announced that his client would contend that the court was unlawful. It was argued that the governor could not sign a commission for such a court unless he was in the state, and it was claimed that he was at Atlantic City, N. J. Mr. Klutz asked that a subpoena be issued for Governor Glenn, and have him brought to court to testify. This was done, and the chief executive of the state was sworn and questioned about his whereabouts on the 17th of July, the day that the call for the court was made. He said that he was in Atlantic City, N. J., but in order to do what he could to prevent a lynching, he wired his private secretary to issue the commission and sign his name to it. This he considered the proper thing to do.

The objection of the defendant was overruled and the trial proceeded. The first witness was David W. Julian, a deputy sheriff, who testified that he saw Hall leading a mob of about 20 men, some of whom the witness knew. The officer had in custody a man he had arrested at the jail. Hall, said the witness, carried a hammer and threatened to brain him if he did not liberate the prisoner. Mr. Klutz objected to this testimony in its entirety.

Other testimony was offered in the afternoon and the case speedily given to the jury.

Cookran Attended by Francis.

San Francisco, Cal., Aug. 13.—Bourke Cookran is seriously ill at Lake Tahoe, under the tender care of Annie Ide, whose engagement to him was recently announced. Cookran was not in the best of health when he went to Lake Tahoe a short time ago, and while there he developed a dangerous affection of the throat. His receding powers are not so great as formerly, and the attending physicians fear complications, which may make the case much more difficult to conquer. Miss Ide's attendance at the side of the patient has been constant.

Cups Admitted Duty Free.

Boston, Aug. 13.—Collector G. H. Lomas, of this port, has decided to admit free of duty silver cups donated by Mr. Thomas Lipton to be competed for by American yachtsmen. It was at first decided by the appraisers that a duty should be paid on the cup on the ground that it was an honorary trophy actually bestowed and accepted, such articles being admitted free, but merely an article sent to the Boston Yacht Club to be held in trust until won or awarded.

AN AUTO FACTORY FOR GAINESVILLE

A New Industry Which Will
Prove a Big Thing for City.

A MODERN ESTABLISHMENT

The New Company Will Manufacture,
Sell and Rent Automobiles, and Will
Also Make a New Light Said to be
Equal to Any.

Mr. Lillienblum of New York has
formed a company to sell and man-
ufacture automobiles and a new light
that far surpasses electric light and
gas light.

The company have leased the prem-
ises opposite the postoffice, and have
already erected one of the most at-
tractive signs in the city.

They intend to extend the factory
with the first steel building in Gaines-
ville, extending from the present build-
ing to Masonic street.

The company also intend to bid to
supply the power to the Gainesville &
Green Cove Railroad and Canal Com-
pany, who are quietly taking subscrip-
tions for stock to the company, and it
is confidently expected that the rail-
road will lay the first rail before the
end of this year.

The Gainesville Automobile Com-
pany intend to manufacture and sell
and repair automobiles, the new light
and motor boats, marine and station-
ary engines. They also intend to store
and care for autos, and teach the art
of running an auto without having the
telegraph poles removed from the
street to make room. Their adver-
tisement will be found in this paper in
a few days. Watch for it, and should
you see the light in a store so white
that the electric light looks yellow, it
is one of their lights.

THE GUARDS ARE HOME.

Had a Big Time at Encampment, But
Glad to Return to Gainesville.

Company H, Second Infantry, Flori-
da State Troops, the Gainesville
Guards, arrived Monday afternoon by
special train from Tampa, where they
have been in camp for the past eight
days.

The company, which was in com-
mand of C. R. Layton and First Lieut-
enant Blanding, made a good record
in camp, and it goes without saying
that Gainesville is proud of them.

The boys were tired from the result of
arduous camp duties. They had a
good time, however, but express them-
selves as being glad to return home.

IN MAYOR'S COURT.

Three Offenders of the Municipal Law
Were Fined Monday Morning.

There was a lively session of the
mayor's court Monday morning, with
the result that the municipal treasury
was swelled to some extent.

West Davis, for being disorderly and
fighting, was fined \$10 and costs. A.
E. Murray was arraigned upon a
charge of disorderly conduct, and de-
posited \$5.00 and costs to "help the
government." John Montgomery was
also up before the court charged with
being disorderly, but inasmuch as his
case did not seem as grave as those
preceding him, he was let down easy,
being fined \$2.50 and costs.

The Pillau in South Gainesville.

Editor Sun: In writing the account
of the pillau in South Gainesville, the
writer was mistaken in those present.
They were Mrs. Peeler, Casper Peeler,
Miss Lucile Roue, Miss Gussie
Scarborough, Lottie Scarborough
Mr. and Mrs. J. L. Plummer,
Mrs. Richardson, Willie Richardson,
Clarence, Leon and Mabry Scarbor-
ough. The other parties named in Sun-
day's paper were not present. They
being special friends of the writer it is
probable that they were named
through mistake, just supposing
them to be present. We are sorry the
writer and his or her friends could not
be present to enjoy a good feast.

PARTICIPANTS.

Smith in Niagara.

The city editor of The Sun has re-
ceived from Jas. F. Smith, his friend,
who has been attending the meeting
of the National Photographers' Asso-
ciation of the United States, a souve-
nir postal which is unique in the ex-
treme. Mr. Smith, having original
ideas in art and photography, has taken
his ideas in the selection of souvenir
postals with a pleasing and humorous
effect. The postal will be preserved
as a souvenir "sure enough."

Children in Pain

Never cry as do children who are
suffering from hunger. Such is the
cause of all babies who cry and are
treated for sickness, when they really
are suffering from hunger. This is
caused from their food not being as-
similated but devoured by worms. A
few doses of White's Cream Vermifuge
will cause them to cease crying and
begin to thrive at once. Give it a trial.

A SERIOUS ACCIDENT.

Mule Ran Away With H. A. Pickett,
Breaking Two of His Ribs.

J. R. Fowler and family have re-
turned from Newberry, where they
have been on a visit to friends.

Mr. Fowler states that on Wednes-
day of last week H. A. Pickett was the
victim of an accident which has since
caused him a great deal of pain, and
is likely to incapacitate him for some
time. A mule which Mr. Pickett was
driving ran away, throwing him out
of the buggy and breaking two of his
ribs. A physician was summoned and
rendered proper assistance, but the
victim will be laid up for several days.

Mr. Fowler and party, comprising
nine people, made the trip to New-
berry and return in his Cadillac auto-
mobile. Notwithstanding the ma-
chine is only ten-horse power and in
many places the road is very bad, the
trip was made each way in one hour
and a half.

Another Good Man Gone Wrong.

He neglected to take Foley's Kid-
ney Cure at the first signs of kidney
trouble, hoping it would wear away,
and he was soon a victim of Bright's
disease. There is danger in delay, but
if Foley's Kidney Cure is taken at
once the symptoms will disappear, the
kidneys are strengthened and you are
soon sound and well. A. R. Bass of
Morgantown, Ind., had to get up ten
or twelve times in the night, and had
a severe backache and pains in the
kidneys, and was cured by Foley's
Kidney Cure. J. W. McCollum & Co.

A Wise Choice.

On learning of the resignation of
W. N. Sheats as principal of the Uni-
versity High School at Gainesville this
paper was about to suggest, as the
logical successor to that important
position, Professor Tom F. McBeath.
But the suggestion comes too late.
The County Board of Public Instruc-
tion of Alachua county has forestalled
all such suggestions by prompt action.
Professor McBeath has been appointed
principal. Gainesville is to be con-
gratulated on such a wise choice. It
means greater success for one of the
best high schools in Florida—St.
Augustine Record.

ing a constant sufferer from constipa-
tion and a disordered liver, I have
found Herbine to be the best medicine,
for those troubles, on the market. I
have used it constantly. I believe it
to be the best medicine of its kind,
and I wish all sufferers from these
troubles to know the good Herbine
has done me." Sold by W. M. John-

Thin Hair

Yes! We had noticed that your hair
was looking pretty thin, and that it
lacked luster and life. But we didn't
like to speak of it! Of course you know
that Ayer's Hair Vigor is a regular hair-grower, makes the hair soft and
smooth, gives it life and strength. This isn't the kind of hair that falls out!
And, too, it keeps the scalp so clean and healthy.

MALARIA AN INSIDIOUS FOE TO HEALTH

Malaria is an atmospheric poison which we unconsciously breathe into
our lungs through the impure air arising from low, marshy places, stagnant
ponds, damp cellars, sewer pipes, improperly ventilated houses, decaying
vegetable matter, etc. Day after day these germs and poisons are taken into
the lungs, and as the blood passes through them it becomes infected with the
poison and in its circulation distributes the microbes of disease to all parts
of the body. Malaria is a very insidious disease; it gives no warning of its
coming until the circulation is filled with the poison and this foe to health
has the system at its mercy. The blood becomes polluted, thin and weak and
its slow, irregular circulation fails to properly nourish and strengthen the
body. Then the entire system is attacked, and if the germs and poisons of
Malaria are allowed to remain the strongest constitution will break down.
No one can feel well when the system is in a malarial condition; the vitality
is weak, the appetite poor, digestion deranged, the complexion grows
sallow and the entire body feels the effects of the poison. Malaria must be
removed from the system through the circulation and the only medicine that
can accomplish this is S. S. S. It not only cleanses the blood of all unhealthy,
morbid matter, but destroys the germs, cures Malaria and restores this vital
fluid to a strong, healthy condition. S. S. S.

S.S.S.
PURELY VEGETABLE.

is made of roots, herbs and barks combining
purifying and tonic properties which keep the
blood free of all poisons and the system in
perfect condition. While destroying the
germs of Malaria and building up the weak,
polluted blood S. S. S. gives tone and vigor
to the entire system. Book on the blood and any medical advice without
charge. **THE SWIFT SPECIFIC CO., ATLANTA, GA.**

TWO NEW ROUTES TO BE ESTABLISHED

Postoffice Department Favoring
People of Alachua County.

THE POSITION PAYS WELL

One Route Offers \$612 Per Year,
While Another Pays \$720—Exami-
nation for Carriers Held Saturday.
Seven Applicants for Examination.

Gainesville and Alachua county are
to have two more rural free delivery
routes, which have been ordered by the
postoffice department of the United
States government to be established
Monday, September 17.

The establishment of these routes
was one of the last acts of our re-
cently deceased postmaster, Judge
George J. Arnow, who manifested
such a deep interest in the welfare and
advancement of our postoffice. Judge
Arnow, through the efforts of whom the
first route was established, was always
ambitious in the matter of improving
the service, with the result that he,
with the assistance of others, induced
the government to establish these
new routes. Route No. 1, which ex-
tends to Jonesville and Bennington
sections, has been established about a
year, and has proven highly satisfac-
tory. This resulted in the two new
routes which are to be established.

Examinations were conducted Sat-
urday for carriers for these routes.
There were seven applicants, five white
and two colored. The examination,
which was conducted by Clerk B. J.
T. Arnow under civil service rules, was
held in the city council chamber, and
required a greater part of the morn-
ing. While the examination is not very
complicated, it is quite a lengthy one
when it comes to questions, a number
of which require some figuring.

The routes will be known as No. 2
and No. 3. Route No. 2, which will go
via Rocky Point and Arredondo, will
be eighteen and a half miles round
trip, while Route No. 3, from Gaines-
ville to Fourteen mile post near La-
Croose and returning via Hague and
the Devil's Millhopper, will cover
twenty-eight and one-quarter miles.
Route No. 2 will pay \$612 per year,
and Route No. 3 \$720 per year, the car-
rier to supply and sustain his own
team.

yesterday was W. H. Hayes, senior
member of the firm of Hayes Brothers,

very good trade during the coming fall
and winter. The Sun acknowledges

with relatives and friends here. Mr.
Buchanan is auditor of the Georgia
Southern and Florida railroad. The
party was accompanied by W. F. Har-
per, Mr. Buchanan's private secre-
tary.

A PAINFUL ACCIDENT.

James Stephens Painfully Injured at
Lynch's Mill, Fairbanks.

James Stephens, well known in this
city, was the victim of a painful ac-
cident Friday which came near cost-
ing him his life, and from which it is
said he sustained two fractured ribs
and three severely bruised limbs.

Mr. Stephens has been employed for
some time at the sawmill of John P.
Lynch at Fairbanks. He was working
about the log drum on Friday, when a
chain suddenly broke, striking him in
the chest, fracturing the ribs, and also
injuring both legs and his left arm.

Mr. Stephens was unconscious for
about two hours. He was brought to
a physician in this city, where he was
resuscitated after hard work. He is
out again, but it will be some time be-
fore he will be enabled to resume his
duties.

North Gainesville Wedding.

There was an impressive ceremony
performed in North Gainesville Hall
Sunday evening, the contracting par-
ties being John W. Crouch and Miss
Katie Bruce, the charming daughter
of Mr. and Mrs. Henry Bruce. The
ceremony was performed by Rev. Ir-
ving E. Webster, and was largely at-
tended by friends of the contracting parties,
many bringing handsome flowers as a
token of their esteem.

Mr. Crouch is one of the most wide-
ly known young men in North Gaines-
ville. The bride is very popular, and
has many friends who will wish her
much happiness in her married life.

On Monday evening the bride's
parents, at their comfortable home
in North Gainesville, gave a reception
in honor of Mr. and Mrs. Crouch and
Mr. and Mrs. Long, who were married
a few days ago. The reception was
well attended, and those present en-
joyed the affair immensely.

Miss Wiggins Married.

News has reached this city of the
marriage of Miss Roberta A. Wiggins
and L. V. Williams, which occurred at
the home of the bride's parents in
Waycross, Ga., on Thursday, August 9.

Miss Wiggins is well known and
popular in this city, having made sev-
eral visits here. She is a niece of Mr.
and Mrs. J. H. Jarvis, and a young
lady of a most amiable disposition. Her
friends here will extend congratula-
tions.

Immediately after the ceremony
Mr. and Mrs. Williams departed for
Hot Springs, Ark., and points in the
West, where they will spend their
honeymoon.

Thousands Have Kidney
Trouble and Never Suspect it.

How To Find Out.

Fill a bottle or common glass with your
water and let it stand twenty-four hours.
If sediment or settling indicates an
unhealthy condition of the kid-
neys, if it stains your linen it is
evidence of kidney trouble, too
frequent desire to pass it or pain
in the back is
also convincing proof that the kidneys
and bladder are out of order.

What To Do.

There is comfort in the knowledge so
often expressed, that Dr. Kilmer's
Swamp-Root, the great kidney remedy,
fulfills every wish in curing rheumatism,
pain in the back, kidneys, liver, bladder
and every part of the urinary passage.
It corrects inability to hold water
and scalding pain in passing it, or bad
effects following use of liquor, wine or
beer, and overcomes that unpleasant ne-
cessity of being compelled to go often
during the day, and to get up many
times during the night. The mild and
extraordinary effect of Swamp-Root
is soon realized. It stands the highest
for its wonderful cures of the most dis-
tressing cases. If you need a medicine
you should have the best. Sold by drug-
gists in fifty-cent and one-dollar sizes.

You may have a sample bottle and a
book that tells all
about it, both sent free
by mail. Address Dr.
Kilmer & Co., Bingham-
ton, N. Y. When
writing mention this paper and don't
make any mistake, but remember the
name, Dr. Kilmer's Swamp-Root, and

TERRIBLE ITCHING
SCALP HUMOR

Badly Affected With Sores and
Crusts—Extended Down Behind
the Ears—Some Years Later
Painful and Itching Pustules
Broke Out on Lower Part of
Body—Son Also Affected.

A TRIPLE CURE BY
CUTICURA REMEDIES

"About ten years ago my scalp be-
came badly affected with sore and
itching humors, crusts, etc., and extend-
ing down behind the ears. My hair
came out in places also. I was greatly
troubled; understood it was eczema.
Tried various remedies, so called, with-
out effect. Saw your Cuticura adver-
tisement, and got them at once. Ap-
plied them as to directions, etc., and
after two weeks, I think, of use, was
clear as a whistle.

"I have to state also that late last
fall, October and November, 1904, I
was suddenly afflicted with a bad erup-
tion, painful and itching pustules over
the lower part of the body. I suffered
dreadfully. In two months, under the
skilful treatment of my doctor, con-
joined with Cuticura Soap and Cuticura
Ointment, I found myself cured.

"Six years ago my son was laid up
with a severe cold, a hard cough, and
finally painful eruption all over the
body. I procured the Cuticura Remedies
as soon as possible, and after his faith-
ful use of same was as well as ever in
two weeks, as well as I can recall. He
has never had a return of the illness,
as far as I know.

"I have always been pleased to com-
mend the Cuticura Remedies, and testify
as to their efficacy. I am a veteran of
the late Civil War, '61-'65, of twenty-
seven and eighty years of age. Yours
truly, H. M. F. Weiss, Rosemond,

Paint Explosions on U. S. Vessel.

Norfolk, Va., Aug. 13.—Six men were
burned by an explosion in the paint
locker on the torpedo boat destroyer
Wordan Friday afternoon at the Nor-
folk navy yard. While the men were
engaged in driving rivets in the paint
locker one of the red hot pieces of
steel fell into a quantity of varnish,
causing it to explode. The force of
the explosion was so great that Robert
White and William H. Wilson,
who were driving rivets, were blown
through the opening leading into the
paint locker and landed on deck.

THREATS MADE TO LYNCH FOLK

Prosecution of Mob Members Causes
Dissatisfaction.

Springfield, Mo., Aug. 13.—After hear-
ing from a city officer of threats
against members of the grand jury
which indicted Hill Gooch and Boss
Gaibraith, charged with lynching three
negroes on April 14, Assistant At-
torney General Kennish left Friday for
Jefferson City to confer with Gov-
ernor Folk on the situation.

The threat, as told to Mr. Kennish,
follows:

"If one of those men who are on
trial for 'negro killing' is convicted,
there will be a rope hung in the light
tower in the square for every one
of the members of the grand jury that
indicted them, and there'll be another
one for Governor Folk."

Twenty-five extra deputies have
been sworn in to guard the trial pro-
ceedings. The work of getting a
jury began on Saturday.

When the trial of Daniel G. Gall-
braith, one of the alleged leaders of
the mob, is called again on Monday
Attorney General Hadley will be here
to assist the state. Governor Folk
desires that Mr. Hadley take personal
charge of the case.

Ever since the mob lynched the ne-
groes he has declared that the state
of Missouri was "disgraced and only
the conviction of the mob leaders
would wipe the stain from her fair
name."

medicines which seemed to only ag-
gravate my case. Fortunately I in-

Tar and it quickly cured me. My wife
has since used Foley's Honey and Tar
with the same success." I. W. Mc-

GEORGIA SOLDIERS USE BULLETS

One Soldier Wounded in Battle with Regulars.

Chattanooga, Tenn., Aug. 13.—Real bullets were used by the First Georgia regiment in its "battle" with the Seventeenth infantry regulars and as a result one private was wounded.

Colonel Gordon's regiment formed the main body of the "blue" army.

The Seventh regiment of regulars formed the main body of the "brown" army. The two forces met when contesting on the crucial point of the day's problem.

A hot fusillade ensued. During the heat of the fight, bullets began to sing above the heads and in the ranks of the regulars. A rush was made by the latter for cover. They sprang behind trees they fell flat upon the ground, they did everything but turn their backs and run.

One private whose name was not given by the hospital authorities, was wounded.

Two companies of Colonel Gordon's regiment were ordered off the field and the maneuvers abruptly ended.

Mystery seems to surround the situation. An investigation may place the responsibility.

Chattanooga, Tenn., Aug. 13.—The Seventeenth regular infantry private who was wounded in Friday's sham battle at Chickamauga park, was not dangerously hurt. He was hit by one of many bullets fired in place of blank cartridges, presumably by men in the First Georgia, which was opposing the regulars. A rigid investigation was made, but nothing definite was given out.

The Third Tennessee and a South Carolina regiment Saturday took the places of the Georgia troops who commended for the week past and are leaving for home.

"Make Hay While the Sun Shines."

There is a lesson in the work of the thrifty farmer. He knows that the bright sunshine may last but a day and he prepares for the showers which are so liable to follow. So it should be with every household. Dysentery, diarrhoea and cholera morbus may attack some member of the home without warning. Chamberlain's Colic, Cholera and Diarrhoea Remedy, which is the best known medicine for these diseases, should always be kept at hand, as immediate treatment is necessary, and delay may prove fatal. For sale by all druggists.

Large Deal in Timber Land.

Birmingham, Ala., Aug. 13.—A special to the News from Hattiesburg, Miss., says that the largest deal in timber lands undertaken in Mississippi in recent years has practically been consummated here by the purchase of timber lands in Perry and Lamar counties by W. H. Tatum, who buys for Wisconsin parties. There are 3,440 acres of the land in Perry county alone, but the bulk of it is in Lamar. The purchase price for a two-third interest is stated to be \$392,500. The sellers are John Landers, of Springfield, Mo.; L. N. Anson, of Merrill, Wis., and George F. Gilkey, of Oshkosh, Wis.

FACTS IN NATURE

Not Only Do We Get Inspiration From Nature, But Health as Well.

For people who are run-down and nervous, who suffer from indigestion or griping, headache, biliousness, or torpid liver, coated tongue with bitter taste in the morning and poor appetite, it becomes necessary to turn to some tonic or strengthening which will assist Nature and help them to get on their feet and put the body into its proper condition. It is becoming more and more apparent that Nature's most valuable health-giving agents are to be found in forest plants and roots.

Nearly forty years ago, Dr. R. V. Pierce, now consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., discovered that by scientifically extracting and combining certain medicinal principles from native roots, taken from our American forests, he could produce a medicine which was marvelously efficient in curing cases of blood disorder and liver and stomach trouble as well as many other chronic, or lingering ailments. This concentrated extract of Nature's vitality he named "Golden Medical Discovery." It purifies the blood by putting the stomach and liver into healthy condition, thereby helping the digestion and assimilation of food which feeds the blood. Thereby it cures weak stomach, indigestion, torpid liver, or biliousness, and kindred derangements.

If you have coated tongue, with bitter or bad taste in the morning, frequent headaches, feel weak, easily tired, stitches or pain in side, back gives out easily and aches, belching of gas, constipation, or irregular bowels, feel flashes of heat alternating with chilly sensations or kindred symptoms, they point to derangement of your stomach, liver and kidneys, which the "Golden Medical Discovery" will correct more speedily and permanently than any other known agent. Contains no alcohol or habit-forming drugs. All its ingredients printed in plain English on wrapper.

The sole motive for substitution is to permit the dealer to make a little more profit. He gains; you lose. Accept no substitute for "Golden Medical Discovery."

Constipation causes and aggravates many serious diseases. It is thoroughly cured by Dr. Pierce's Pleasant Pellets. One a laxative, two or three are cathartic.

\$3,500 in Gold Stolen.

Mr. Vernon O. Aug. 13.—In an old tin bucket in a dingy closet \$3,500 in gold was hidden by Mrs. Matilda Foote here. She left her home in charge of her grandmother, Mrs. Betty Foote, for a short time, and during her absence some one stole the entire hoard. Mrs. Foote is 100 years of age and did not hear the robber enter the house. Bloodhounds were put on the trail of the robber, but they would not take the scene. The robbery is surrounded in mystery and suspicion rests upon local parties. Mrs. Foote had drawn the money out of a bank in the morning to purchase the property in which she lived, and the money represented the savings of a life time.

Given Up to Die.

B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run-down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured." J. W. McCollum & Co.

Salt Water System Recommended.

San Francisco, Aug. 13.—The fire commission Friday approved a recommendation of Chief Shaughnessy favoring the establishment at the earliest possible date of an auxiliary salt water system, so planned as to protect the business portion of the city. The chief urged that cisterns holding at least 10,000 gallons be established on the various hills throughout the city. Two high power fire boats were also recommended for use on the water front.

Unnecessary Expense.

Acute attacks of colic and diarrhoea come on without warning and prompt relief must be obtained. There is no necessity of incurring the expense of a physician's service in such cases if Chamberlain's Colic, Cholera and Diarrhoea Remedy is at hand. A dose of this remedy will relieve the patient before a doctor could arrive. It has never been known to fail, even in the most severe and dangerous cases, and no family should be without it. For sale by all druggists.

Cargo of Sponges Seized.

Jacksonville, Fla., Aug. 13.—An unusual case, the first of its kind on record, has been brought in the United States court here, wherein the owners and master of the schooner Victoria are required to appear and show cause why the schooner should not be seized and sold for not paying duty on foreign cargo, said alleged foreign cargo being sponges taken by diving in waters outside the three-mile limit and landed at Anclote harbor in this state. The penalty for this offense is a fine of \$1,000 and costs and in case of a decision that the cargo is foreign each member of the crew will be liable to criminal prosecution for smuggling.

Stomach Troubles and Constipation.

No one can reasonably hope for good digestion when the bowels are constipated. Mr. Chas. Baldwin of Edwardsville, Ill., says: "I suffered from chronic constipation and stomach troubles for several years, but thanks to Chamberlain's Stomach and Liver Tablets am almost cured." Why not get a package of these tablets and get well and stay well? Price 25 cents. For sale by all druggists.

Alleged Brute Is Jailed.

New Orleans, La., Aug. 13.—Lazare Mehovitch, an Austrian newspaperer, is in jail on a charge of criminal assault, and his alleged victims are little girls of tender years. Hilda Borchers and Veronica Shannon, both residents of the neighborhood. He is said to have entered the children into his place and abused them.

In Self Defense.

Major Hamm, editor and manager of The Constitutionalist, Eminence, Ky., when he was fiercely attacked four years ago by pigs, bought a box of Bucklen's Arnica Salve, of which he says: "It cured me in ten days and no trouble since." GEORGIA SOLDIERS USE BULLETS

One Soldier Wounded in Battle with Regulars.

Chattanooga, Tenn., Aug. 13.—Real bullets were used by the First Georgia regiment in its "battle" with the Seventeenth infantry regulars, and as a result one private was wounded.

Colonel Gordon's regiment formed the main body of the "blue" army.

The Seventh regiment of regulars formed the main body of the "brown" army. The two forces met, when contesting on the crucial point of the day's problem.

A hot fusillade ensued. During the heat of the fight, bullets began to sing above the heads and in the ranks of the regulars. A rush was made by the latter for cover. They sprang behind trees, they fell flat upon the ground, they did everything but turn their back and run.

One private whose name was not given by the hospital authorities, was wounded.

Two companies of Colonel Gordon's regiment were ordered off the field and the maneuvers abruptly ended.

Mystery seems to surround the situation. An investigation may place the responsibility.

Chattanooga, Tenn., Aug. 13.—The Seventeenth regular infantry private who was wounded in Friday's sham battle at Chickamauga park, was not dangerously hurt. He was hit by one of many bullets fired in place of blank cartridges, presumably by men in the First Georgia, which was opposing the regulars. A rigid investigation was made, but nothing definite was given out.

The Third Tennessee and a South Carolina regiment Saturday took the places of the Georgia troops, who commanded for the week past and are leaving for home.

"Make Hay While the Sun Shines."

There is a lesson in the work of the thrifty farmer. He knows that the bright sunshine may last but a day and he prepares for the showers which are so liable to follow. So it should be with every household. Dysentery, diarrhoea and cholera morbus may attack some member of the home without warning. Chamberlain's Colic, Cholera and Diarrhoea Remedy, which is the best known medicine for these diseases, should always be kept at hand, as immediate treatment is necessary, and delay may prove fatal. For sale by all druggists.

Large Deal in Timber Land.

Birmingham, Ala. Aug. 13.—A special to the News from Hattiesburg, Miss., says that the largest deal in timber lands undertaken in Mississippi in recent years has practically been consummated here by the purchase of timber lands in Perry and Lamar counties by W. S. Tatum, who buys for Wisconsin parties. There are 3,440 acres of the land in Perry county alone, but the bulk of it is in Lamar. The purchase price for a two-third interest is stated to be \$392,500. The sellers are John Landers, of Springfield, Mo.; L. N. Anson, of Merrill, Wis., and George F. Gilky, of Oshkosh, Wis.

FACTS IN NATURE.

Not Only Do We Get Inspiration From Nature, But Health as Well.

For people who are run-down and nervous, who suffer from indigestion or dyspepsia, headache, biliousness, or torpid liver, coated tongue with bitter taste in the morning and poor appetite, it becomes necessary to turn to some tonic or strengthener which will assist Nature and help them to get on their feet and put the body into its proper condition. It is becoming more and more apparent that Nature's most valuable health-giving agents are to be found in forest plants and roots.

Nearly forty years ago, Dr. R. V. Pierce, now consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., discovered that by scientifically extracting and combining certain medicinal principles from native roots, taken from our American forests, he could produce a medicine which was marvelously efficient in curing cases of blood disorder and liver and stomach trouble as well as many other chronic, or lingering ailments. This concentrated extract of Nature's vitality he named "Golden Medical Discovery." It purifies the blood by putting the stomach and liver into healthy condition, thereby helping the digestion and assimilation of food which feeds the blood. Thereby it cures weak stomach, indigestion, torpid liver, or biliousness, and kindred derangements.

If you have coated tongue, with bitter or bad taste in the morning, frequent headaches, feel weak, easily tired, stitches or pain in side, back gives out easily and aches, belching of gas, constipation, or irregular bowels, feel flashes of heat alternating with chilly sensations or kindred symptoms, they point to derangement of your stomach, liver and kidneys, which the "Golden Medical Discovery" will correct more speedily and permanently than any other known agent. Contains no alcohol or habit-forming drugs. All its ingredients printed in plain English on wrapper.

The sole motive for substitution is to permit the dealer to make a little more profit. He gains; you lose. Accept no substitute for "Golden Medical Discovery."

Constipation causes and aggravates many serious diseases. It is thoroughly cured by Dr. Pierce's Pleasant Pellets. One laxative; two or three are cathartic.

\$3,500 in Gold Stolen.

Mt. Vernon, O., Aug. 13.—In an old tin bucket in a dingy closet \$3,500 in gold was hidden by Mrs. Matilda Foote here. She left her home in charge of her grandmother, Mrs. Betsy Foote, for a short time, and during her absence some one stole the entire hoard. Mrs. Foote is 100 years of age and did not hear the robber enter the house. Bloodhounds were put on the trail of the robber, but they would not take the scene. The robbery is surrounded in mystery and suspicion rests upon local parties. Mrs. Foote had drawn the money out of a bank in the morning to purchase the property in which she lived, and the money represented the savings of a life time.

Given Up to Die.

B. Spiegel, 1204 N. Virginia St., Evansville, Ind., writes: "For over five years I was troubled with kidney and bladder affections which caused me much pain and worry. I lost flesh and was all run-down, and a year ago had to abandon work entirely. I had three of the best physicians who did me no good and I was practically given up to die. Foley's Kidney Cure was recommended and the first bottle gave me great relief, and after taking the second bottle I was entirely cured." J. W. McCollum & Co.

Salt Water System Recommended.

San Francisco, Aug. 13.—The fire commission Friday approved a recommendation of Chief Shaughnessy favoring the establishment at the earliest possible date of an auxiliary salt water system, so planned as to protect the business portion of the city. The chief urged that cisterns holding at least 10,000 gallons be established on the various hills throughout the city. Two high power fire boats were also recommended for use on the water front.

Unnecessary Expense.

Acute attacks of colic and diarrhoea come on without warning and prompt relief must be obtained. There is no necessity of incurring the expense of a physician's service in such cases if Chamberlain's Colic, Cholera and Diarrhoea Remedy is at hand. A dose of this remedy will relieve the patient before a doctor could arrive. It has never been known to fail, even in the most severe and dangerous cases, and no family should be without it. For sale by all druggists.

Cargo of Sponges Seized.

Jacksonville, Fla., Aug. 13.—An unusual case, the first of its kind on record, has been brought in the United States court here, wherein the owners and master of the schooner Victoria are required to appear and show cause why the schooner should not be seized and sold for not paying duty on foreign cargo, said alleged foreign cargo being sponges taken by diving in waters outside the three mile limit and landed at Anclote harbor in this state. The penalty for this offense is a fine of \$1,000 and costs and in case of a decision that the cargo is foreign each member of the crew will be liable to criminal prosecution for smuggling.

Stomach Troubles and Constipation.

No one can reasonably hope for good digestion when the bowels are constipated. Mr. Chas. Baldwin of Edwardsville, Ill., says: "I suffered from chronic constipation and stomach troubles for several years, but thanks to Chamberlain's Stomach and Liver Tablets am almost cured." Why not get a package of these tablets and get well and stay well? Price 25 cents. For sale by all druggists.

Alleged Brute Is Jailed.

New Orleans, La., Aug. 13.—Lazare Mehoevitch, an Austrian sadist, is in jail on a charge of criminal assault, and his alleged victims are little girls of tender years. Hilda Borchess and Veronica Shannon, both residents of the neighborhood. He is said to have enticed the children into his place and abused them.

In Self Defense.

Major Hamm, editor and manager of The Constitutionalist, Eminence, Ky., when he was fiercely attacked four years ago by pigs, bought a box of Bucklen's Ayrina Salve, of which he says: "It cured me in ten days and no trouble since." Quickest healer of burns, sores, cuts and wounds. 25c at all drug stores.

STEVENSON, Ala., June 6, 1901.

Dr. E. W. Hall, St. Louis: Dear Sir—I have been a great sufferer from bladder trouble for two years and my case was of a very severe nature, compelling me to have several painful and dangerous operations. I have also taken many different remedies. I took Swamp Root for three years and Warner's Safe Cure two years and they only gave temporary relief. After having two operations and preparing for the third, I saw your Texas Wonder advertised and purchased a bottle. I got almost immediate relief and have continued to improve ever since. My doctor said my bladder had grown together in three places, and I was suffering almost death. No man living can say more than I can for your Texas Wonder, and I call it a world's wonder, and I hope all who suffer will give it a trial. Wishing you success. I am Yours truly, W. C. DANIEL.
